Sure. Thanks for making the revisions.

Here's my schedule for Monday - -I'm planning to go directly from home to Potomac Yards in the morning, with the first meeting beginning at 8:30. I'll then be at the matrix meeting, but will come back to HQ in the afternoon for the EJ 2014 celebration.

We can talk on Monday before 8:30, after the EJ celebration, or if necessary, either at the end of the day tomorrow by phone when I return home, or anytime over the weekend. How/when will you get the revised version to me?

Thanks for taking the time to brief on the options. I'll work on redrafting the options paper; lets connect Monday morning. Lek said that he would like to have this to Jim NLT COB Monday.

Thanks and safe travels.
